ANWENDERSCHULUNG

 ANÄSTHESIE

 NEONATOLOGIE

 INTENSIVBEATMUNG

Sehr geehrte Damen und Herren,

der Einsatz von modernster Medizintechnik gehört zum Alltag der Kliniken und Krankenhäuser. Die Anforderungen an die Anwender werden, nicht zuletzt durch die sich verändernden Personalstrukturen, immer größer: Neue Geräteentwicklungen und daraus entstehende neue Möglichkeiten erfordern eine ständige Weiterbildung des Fachpersonals, um dem Patienten ein hohes Maß an Sicherheit zu bieten.

Um Gelegenheit zur Weiterbildung und zu einem gemeinsamen Erfahrungsaustausch zu geben, führen wir diese Veranstaltungen für Mitarbeiter/-innen der Intensivstationen und Medizintechnik durch.

Darüber hinaus besteht die Möglichkeit, im Dialog mit uns als Gerätehersteller aktiv die Weiterentwicklung unserer Produkte zu beeinflussen. Ihre eigenen Wünsche und Ihre Erfahrungen aus der Praxis können so in die nächsten Gerätegenerationen einfließen. Wir sind sicher, Ihnen mit unseren Schulungen ansprechende und nutzbringende Veranstaltungen anbieten zu können und freuen uns über Ihre Teilnahme.

Mit freundlichen Grüßen aus Bad Ems
Ihr Löwenstein Medical Team

ANWENDERSCHULUNG LM ANÄSTHESIE-GERÄTE: LEON/LEON PLUS/LEON MRI
